

MoonLight

Pearls of wisdom
buried deep
within,
treasures unknown
skimming the top
layer after
layer.

All within
memory
of lifetimes
stories
unheard,
treasures beneath
waiting to be
heard.

Go out and stand
in the
Moonlight
see, feel, hear
Her
speak.

Mysteries unknown,
watery
movements
like the ebbs
and flows.

Cycles and seasons
all in great
time.
fruits of labor,
a kind gesture,
a smile
you will find.

Her medicine
within
and without,
shadows amongst
the doubt.
There she awaits
for you
to come and see
her beauty, her mystery
her guidance, Light in me.
